FFI encourages clubs to arrange their own Journeys with one another if they are inclined to do so. Such requests will be considered if received in writing from both clubs. Please note that in order to ensure a fair planning process and that a balanced pool of hosting is available for everyone, mutual requests are not guaranteed.

7. Outbound Requests

In an effort to give every club an opportunity to visit diverse destinations, we will be taking a club's previous travel history into consideration when assigning outbound Journeys. Any country (excluding USA, Brazil, Australia, New Zealand) that your club has visited during your last three (3) international Journeys will not be available for assignment in 2018.

You will find a chart below that lists all countries that are available to host Journeys in 2018. The countries are grouped based on the total number of weeks that they are available to host. Those groupings are defined as follows:

Low Availability = 1 to 5 hosting weeks

Medium Availability = 6-20 hosting weeks

High Availability = More than 20 hosting weeks

NOTE: If you request a country with low availability, we **CANNOT** guarantee that your request will be filled.

Specialized Journey programs are available in some countries. Please use the links below to learn more about these programs:

8. Additional Comments

Please include any additional information that will help us during the Journey matching process. The more detailed information you can provide, the better!

EXAMPLE

We would like to visit the Aichi club in Japan when the cherry blossoms are in bloom (March/April 2017). Due to the high cost of travel, we would also like to spend a second week in a neighboring club to Aichi. If Aichi is not available, then we would enjoy visiting any other clubs in Japan.
